

GLIMPSE

Seeking submissions for a new ICDL publication

GLIMPSE will showcase the unique perspective contained in writings and artwork of individuals with a history of autism and other developmental disabilities.

We are seeking poetry, essays, reflections, short stories, photography, and two-dimensional artwork on any subject, so that we may gain a GLIMPSE into the rich inner life of individuals with autism and other developmental disabilities. We are seeking work from individuals of all ages.

GLIMPSE will be published online at ICDL.com and in paperback for purchase at cost. We are planning the first issue to be available in the late fall.

Written entries, digital photographs, and questions should be sent to GLIMPSE@icdl.com. Please include name, age, state or country of residence, email, and type of disability.

Additional editorial policy and submission guidelines for artwork are available at ICDL.com. Submission deadline for the first issue is August 10, 2007.
